

Raising Online with JustGiving™

JustGiving can help you to reach your friends, family and colleagues around the world by allowing them to support you online. It's very easy to set up and much more effective than the traditional paper sponsor forms alone. JustGiving will automatically transfer your donations to Lennox Children's Cancer Fund so you can save time and forget the hassle of collecting cash/cheques.

Steps to creating your own fundraising page

1. Visit www.justgiving.com/lennox and click 'Fundraise For Us', or download the JustGiving app.
2. Follow the steps to sign up, or log in if you already have an account. At this stage, all information you give is confidential and will not be published on your page.
3. Follow the instructions to create your fundraising page. You can even upload your own photos!
4. JustGiving will let us know that you have created a page.
5. Email your page link to all of your friends, family and colleagues asking them to sponsor you and forward it on.
6. Share your page on Facebook, Twitter, Instagram and all your other social media pages.

Share your page on social media

Paste your link into a post, or log in to your JustGiving account and click 'Share on Facebook' or 'Spread the word on Twitter' to share your page with friends and family on social media!

Download the app for Android or iOS

Fundraising just got even easier with the JustGiving app! Now you can keep track of your fundraising wherever you are, get notifications when someone donates to your page, update your page with photos and text, and do good while on the go!

It's that simple!
