BOOKING TERMS

Terms and conditions of booking a charity tandem skydive:

1. The term 'skydive' applies to any type of parachute descent.
2. The airfield will make every effort to comply with the preferred dates for booking. If both the dates are unavailable, Lennox Children's Cancer Fund, or the airfield, will contact you before proceeding with the booking.
3. Bookings are made on the understanding that any skydive will only take place in accordance with the safety limitations imposed by the Civil Aviation Authority (CAA) and the British Parachute Association (BPA).
4. A booking, once made, is final and the date cannot be changed with less than 21 days notice. An administration fee may be charged for changing the date once agreed.
5. The balance of payment is due on or before the day of the course. Any fee(s) or deposit(s) paid are nonrefundable.
6. If you fail to turn up on the day of the course (irrespective of reason or cause), you will not be permitted to a refund of any fee(s) or deposit(s) paid or be permitted to commute any fees paid towards another course on another date. You will still be liable for the balance of payment.
7. If inclement weather or technical problems with the aircraft prevents skydiving on the day booked, you will be able to re-book a mutually convenient date free of charge. Refunds will not be made under these circumstances. The skydive must be re-booked with 12 months of the cancellation date.
8. Due to irregularities in weather, aircraft limitations and numbers of participants on the day of the course, you may need to be at the drop zone for the entire day, irrespective of your arrival time. For Static Line (RAPS) and AFF courses, it may be necessary for the jump to take place on the day following the ground training.
9. On the day of the course, if you do not conform to the age, weight and health requirements of the CAA and the BPA, or you do not have the correct paperwork required for skydiving (see below), you will not be permitted to take part in any skydive and the balance of payment will still be due
10. When booking in a group, you accept responsibility for these terms on behalf of all participating members of the group. If a group booking has been made and some of the group fail to turn up, the non-group price will be charged.

GIFT VOUCHERS:

10. Any vouchers purchased are non-transferable and non-refundable, and are not valid beyond the expiry date
11. All standard terms and conditions apply to bookings made to redeem vouchers.
12. Once a date has been booked to redeem a voucher, if the participant does not turn up the voucher will be deemed used.

What you will need at the airfield:

After booking, you will be emailed a confirmation of your tandem skydive and two sets of forms. You MUST complete these forms and take them with you on the day of your tandem skydive. Without them you will not be able to skydive.

- BPA forms for medical information, declaration and student membership - a medical declaration
- UK Parachuting Student membership

Don't forget to also take:

- The amount of money required to cover the cost of your skydive (see part one of the booking form)
- The minimum amount of money required for the charity, or a print out/evidence of your online fundraising page if you raised any of your sponsors online (see part one of the booking form)

If you raised all of your sponsorship online, you must contact the charity at least one week before your skydive on 01708 734366 so that we can arrange an alternative payment method with the airfield.

Weight and height restrictions:

The weight limit for most parachute jumps is 15st 7lbs. If you are above this weight, please contact us before sending us your forms. The height limit for tandem skydives is 6' 3". In addition, your weight should be in proportion to your height. The limits may vary by airfield, please contact Lennox Children's Cancer Fund for further clarification.

Insurance:

Included in the price of your skydive is temporary membership to the BPA, which automatically covers you for third party liability up to £2,000,000. This does not however, cover you for personal injury and you are therefore advised to arrange special personal cover for yourself. We can arrange this for anybody making a jump with us and full details will be forwarded upon request. Please note that any cover you take out does not necessarily have to be through us. If you are in any doubt at all about what is being offered to you, you should seek advice from your insurance broker.
