£750

Help with everyday living

3 Families received financial support to help
to pay the bills, put food on the table and to
keep the lights on.

£500

Family day out to Legoland

2 families received £250 towards a fun family
day out to Legoland. A chance to be together
as a family and make happy memories.

£1,000

Family respite break

1 family received a much needed respite break. They
had been ripped apart as a family through treatment
and needed time together to reconnect as a family.

£500

Towards car repairs

1 family received financial aid to help them to repair their family
car. Taking their child to hospital for vital treatment without their
family car would be beyond difficult. The cost to fix the car would
have crippled the family and left them choosing between feeding
the family or getting their sick child to hospital.
